The best vibe going, the RRDJ12W is the final word in protection for your gear. Built to take abuse, the RRDJ12W is designed to hold two battle positioned turntables and the Pioneer DJM500, DJM600 or other 12" mixer between them. Built with brains the RRDJ12W accommodates various turntables and features smart design elements like our unique removable front panel for easy access to your mixer controls, a rear access cable port for no hassle connections, low profile wheels for sleek, stealth mobility and adjustable modular foam lining so that you can create the perfect custom fit for your gear. Go ahead get your groove on!
